Conditions of Hire

FOR THE HEALTH AND SAFETY OF YOUR GROUP, THE FOLOWING CONDITIONS OF HIRE MUST BE ADHERED TO:

- THE POOL IS UNSUPERVISED. It is the hirer's responsibility to ensure that those who use the pool can either swim adequately or are using the necessary swimming aids.
- The Hirer (the person who makes the booking) must always have access to a mobile phone in case of an emergency.
- No single person swimming is allowed at any time
- All weak swimmers must be always supervised by enough capable and responsible swimmers.
- Swimming parties and individuals within them have responsibility for their own duty of care and must conduct themselves accordingly within the pool environment. It is their responsibility to establish that the pool, the pool chemicals, and the pool environment will not affect any medical condition they may suffer from, by doctor's consultation if necessary. A breakdown of the chemicals used, chemical levels and the air/water temperatures can be obtained on request.
- Friends of Hay Swimming Pool assume no liability for your safety.
- Friends of Hay Swimming Pool assume no liability for loss or damage to your possessions.
- The access key must be returned to the key safe box once you have entered the building
- No swimming or use of the pool complex under the influence of drugs or alcohol
- Swim nappies must be used as required. These and soiled baby nappies must be taken away with you and disposed of appropriately.
- Please use the toilet before swimming.
- Please shower before entering the pool.
- Swimming parties must be punctual, especially with departure times.
- Hirers/users must always leave the pool complex in good order.
- The pool complex is a shoe-free environment. Please either remove your shoes, bring suitable indoor footwear, or use the shoe covers provided.
- Please keep all doors always closed to help maintain the ambient temperature and humidity within the pool complex.
- All jewellery to be removed before entering the pool.
- Swimming caps should be always worn by swimmers with long hair.
- No running inside the pool complex and around the pool.
- No horseplay. This includes, not exhaustively, not pushing people into the pool, no dive bombing, no excessive splashing, not holding individuals under the water against their wishes.
- Swimmers must acquaint themselves with the depth and layout of the pool before swimming.
- No food to be consumed within the pool complex
- No drinks to be consumed in and around the pool#
- No breakables to be taken into the pool complex; for example, drinking glasses, glass bottles, china etc
- Pool users must always adhere to signs and notices.
- No smoking anywhere on the premises.
- No property to be removed from the premises.
